Preamble

PURPOSE

The purpose of this Agreement is to establish policies that will govern aspects of employment pertaining to bargaining unit faculty members as authorized by the Nevada System of Higher Education (NSHE) Professional Employee Collective Bargaining Regulations.

The parties recognize that respect and cooperation between them is essential to the achievement of educational objectives, that good faith collective bargaining is a means to achieving respect and cooperation, and that therefore good faith collective bargaining contributes to the interests of the College of Southern Nevada (CSN).

THIS AGREEMENT, CSN POLICIES, AND PRACTICES

Articles in this Agreement supplement, modify, and/or supersede all current CSN and NSHE policies and procedures related to this contract.

Any ambiguity or contradiction between duly adopted policies and procedures of CSN and Articles of this Agreement shall be resolved in favor of the Articles of this Agreement.

Article 1 - Recognition

NSHE hereby recognizes that CSN-NFA has been elected as the sole and exclusive representative for purposes of collective bargaining activities as described in the Board of Regents Handbook for all academic faculty employed by CSN in the professional service of the NSHE for a period exceeding six months at .50 FTE or more, but excluding adjunct faculty members and administrative faculty.

Article 2 - Non-Discrimination

Section 1. CSN Administration and CSN-NFA affirm their dedication to the principles of equal opportunity and freedom from unlawful discrimination; as such, the parties will not discriminate on account of any of the following: race, color, sex, religion, national origin, marital status, domestic partnership status, familial status, age, disability (whether actual or perceived by others), ancestry, military or veteran status or obligations, sexual orientation, gender identity or expression, or genetic information. This includes non-discrimination in hiring processes. CSN Administration affirms its dedication to affirmative action.

Section 2. CSN and NSHE policy and code procedures shall be followed to resolve complaints of a violation of Section 1, except for cases in which CSN and NSHE policy and code do not offer protection for the category in Section 1 that is alleged to have been discriminated against.

Section 3. CSN Administration shall not discriminate against bargaining unit members because of participation in NFA, including participation in a grievance or membership. CSN-NFA shall represent all members of the bargaining unit fairly, consistent with the duty of fair representation.

Section 4. Nothing in this Article precludes any member of the bargaining unit from protecting his/her rights to be free of unlawful discrimination pursuant to any state or federal law which addresses discrimination, without resorting to the provisions of this contract.

Article 3 - Safety

Section 1. All members of the CSN community have a responsibility in their respective roles to encourage and provide a safe, secure and healthy campus environment. CSN commits to provide a safe and clean education and working environment at all of its campuses, sites, and office facilities. CSN shall comply with all federal, state and local laws and regulations. CSN shall promptly investigate all hazards, unsafe conditions and accidents brought to its attention and to promptly remedy all hazards and unsafe conditions that its investigation reveals.

Section 2. When an academic faculty member believes there is cause for concern for the safety of themselves and/or the students, they should immediately use the classroom's Emergency Phone or other communication methods to seek public safety assistance or respond consistent with the College's central message being distributed concerning an incident. If necessary, the academic faculty member may dismiss the class. If the department chair doesn't know the circumstances, the faculty member shall report the class dismissal as soon as practical.

Section 3. The CSN-NFA President or designee will be a member of the CSN Safety and Security Committee.

Section 4. Academic faculty may individually make written suggestions for safety equipment, and the appropriate manager shall provide a timely written response.

Section 5. If an academic faculty member believes that s/he is experiencing unsafe working conditions, s/he shall discuss the condition with his/her supervisor (dept. chair/manager). The concern shall be reviewed and investigated by the appropriate manager, and a written response provided to the faculty member, and to all members of the Safety and Security Committee.

Section 6. If CSN-NFA deems the actions taken in Section 1 are insufficient, a representative should elevate the concerns to the appropriate CSN leadership member.

Section 7. First aid kits.

A. Contents of the first-aid kit should take into consideration the type of injuries requiring first aid that may be expected, distance from medical care, and number of employees in the workplace. Departments should evaluate their own workplace to determine needs. Contact the director of Environment Health and Safety if additional supplies or first aid kit(s) are needed.

B. All reasonable supply costs will be carried by the administration, so as not to adversely affect an individual department.

C. A designated person will inspect the first-aid kits on an interval necessary to maintain them in proper order.

D. An inspection sheet will be maintained by the department to ensure this procedure is followed.

Article 4 - Academic Freedom

Section 1. CSN is operated for the common good of the greater community it serves. The common good depends upon the free search for truth and its free exposition. Academic freedom is the right of scholars in institutions of higher education freely to study, discuss, investigate, teach, and publish. Academic freedom is essential to these purposes and applies to both teaching and scholarly/creative work. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it responsibilities correlative with rights.

Section 2. This Agreement incorporates the current Academic Freedom Policy adopted by the American Association of University Professors (The American Association of University Professors 1940 Statement of Principles on Academic Freedom and Tenure).

Section 3. Both the protection of academic freedom and the requirements of academic responsibility apply not only to the full-time probationary and the tenured teacher, but also to all others, such as part-time faculty and teaching assistants, who exercise teaching responsibilities.

Section 4. Speech by professors in the classroom at public institutions is protected under both the First Amendment and the professional concept of academic freedom if the speech is “germane to the subject matter.” Faculty academic freedom, unlike that of students, is not only an individual but also a collective right, informed by professional expertise and peer review. Professors must be allowed to select readings to assign in their courses without having to provide “equal time” for every competing viewpoint. (AAUP, Academic Freedom of Students and Professors, and Political Discrimination). Nothing herein shall be interpreted to permit or condone speech or conduct that is not protected by the first amendment or that may be deemed illegal or negligent pursuant to any court of competent jurisdiction.

Section 5. The concept of academic freedom is accompanied by the equally demanding concept of academic responsibility. A member of the faculty is responsible for the maintenance of appropriate standards of scholarship and instruction. As a teacher/faculty, he or she is entitled to teach within his/her special competence. Teachers are entitled to freedom in the classroom in discussing their subject, but they should be careful not to introduce into their teaching controversial matter which has no relation to their subject. In return for these guarantees, the scholar and the teacher owe unlimited allegiance to the pursuit of truth and understanding.

Section 6. The exercise of Academic Freedom under this article shall not be deemed insubordination for the purpose of discipline.

Article 5 -Shared Governance

Section 1. Precedence

A. NFA represents bargaining unit members in all CSN matters included in this CBA.

B. Whenever a CSN committee is formed to address through shared governance, any issue covered by this CBA, a designated NFA representative appointed by the CSN-NFA President shall be seated on that committee.

Section 2. Consultation

A. It is agreed that the CSN-NFA President, or designee, and the CSN President, or designee, will meet as requested by either party to consult on matters related to this Agreement, within two weeks of the request.

B. It is agreed that the CSN-NFA President, or designee, and each school dean, or library director, will meet as requested by either party to consult on matters related to this Agreement, within two weeks of the request.

B. NFA shall post online as a matter of public record the names of members serving leadership and other roles, including but not limited to Chapter President, Vice President, Treasurer, Secretary, and bargaining team members as elected by NFA membership and/or appointed by the NFA Chapter President. CSN Administration will make available a CSN-NFA page on the college website to support this publication and link to the page from the CSN Faculty Infobook website. NFA members may report, at their discretion, their NFA-related service activities associated with Section 3.a for the purposes of faculty evaluation or tenure application.

C. NFA may request to use conference rooms on Charleston, North Las Vegas and Henderson campuses through the appropriate process for reserving space. All reasonable requests will be approved provided that space is available.

Nothing in this CBA will contribute to or be used to lower any bargaining unit members' eligibility to receive cost of living adjustments (COLAs) and/or comparable salary increases.

Effective July 1, 2023, the initial salary placement schedule in Article 7; Section 3 (Salary Placement) will reflect the 12% cost of living adjustment (COLA) as approved by the Board of Regents for FY24. At the time of ratification, any bargaining unit member who commenced employment on or after July 1, 2023, will retroactively be adjusted under the updated initial salary placement schedule based on their original grade and years of education placement at the time of hire.

All bargaining unit members who were hired between July 1, 2023 and the date of this amendment's ratification by the Board of Regents, who were provided with an initial salary placement choice between a Rank O (market hire) salary and a tenure track salary, will be allowed to reconsider their decision. CSN Human Resources will provide notice in writing to all eligible bargaining unit members. The bargaining unit member's decision must be made within 30 days of ratification of this new Agreement and will be final. Any changes in compensation will be paid within 30 days of their decision and retroactive to July 1, 2023.

Effective October 1, 2024, the initial salary placement schedule in Article 7; Section 3 (Salary Placement) will be updated to reflect the 11% cost of living adjustment (COLA) as approved by the Board of Regents for FY25 based upon the parameters set forth by the Board of Regents.

Each current bargaining unit member will receive a cost-of-living adjustment (COLA) increase of 11% in FY25 as provided for by the Nevada Legislature and through the parameters approved by the Board of Regents. The FY25 COLA will take effect on October 1, 2024.

Merit pay will be suspended for bargaining unit members for FY25 as approved by the Board of Regents on December 1, 2023.

Each bargaining unit member employed as of the last day of the Spring 2024 semester will receive a one-time \$400 professional development stipend for the implementation/facilitation of their professional growth plan. New bargaining unit members with a start date after the last day of the Spring 2024 semester are not entitled to this one-time stipend. The stipend will be paid to bargaining unit members as part of their August 2024 paycheck. Bargaining unit members should address professional development advancement in their FY24 faculty evaluation growth plan.

COLA increases after FY25 that are funded by the Nevada Legislature and approved by the NSHE Board of Regents for bargaining members after October 1, 2024, shall be incorporated into the initial salary placement schedule in Article 7; Section 3 (Salary Placement).

Section 2. Increase to Base Salaries Adjustment

Nothing in this CBA amends the applicability of any base salary increases by the Nevada Legislature, directed by the Board of Regents or the college President.

Each bargaining unit member will receive a 1% base salary increase, retroactive to July 1st, 2022. The starting base pay will include all approved base increases, such as FY23 COLA and FY23 performance pool, before calculating the 1% base salary increase for bargaining unit members.

B. Upon hire, academic faculty are given an initial salary placement in accordance with NSHE Procedures and Guidelines Manual Chapter 3, Section 3.2. Faculty are entitled to receive upon written request made within three (3) business days a written explanation of their initial salary placement, which shall be promptly provided within three (3) business days. Faculty may request reconsideration of that placement by submitting a written request within three (3) business days after receiving the explanation. Faculty should provide any rationale or background reasons justifying the request. The Human Resources Department shall promptly review the reconsideration request, and make its recommendation to the CSN hiring authority. A copy of the recommendation and the hiring authority's decision will be provided to the faculty member.

CSN Administration will implement recommendations as provided by the Salary Schedule as prescribed in *Title 2, Chapter 5, Section 5.5.1.*

CSN Administration will create the new initial placement table with the same updated formula from this contract. Initial salary placement will allow up to ten years in their respective column of related experience in the assigned discipline or industry and will be credited to new faculty as determined by Human Resources. Every year of credited experience (rows 0-10 in Section 3.A. chart) will equate to 2.5% above column entry (each row 0-10 in Section 3.A. chart) level salary.

At time of ratification, any faculty member under the new salary placement schedule, commencing employment July 1, 2022, would be made whole under the new schedule.

Nothing in this CBA amends the applicability of any Salary Schedule updates that include an increase to salary ranges listed in Section 2.A. Section 4. Salary Equity Studies

In accordance with the provisions of NSHE's Procedures and Guidelines Manual Chapter 3.d.1 regarding salary equity studies, a Salary Equity Study will be performed by CSN during the length of this contract as outlined below. The study will be conducted to assess whether a faculty member's salary is appropriate as compared to the salaries of other faculty at the institution based upon years of experience and educational attainment. Upon completion of salary equity studies, a description of the process that was used to gather the data utilized by the Salary Consultant in their analysis, as well as the methodology used by the Salary Consultant to analyze that data, shall be published in a manner that is accessible to bargaining unit members. Bargaining unit members have the right to receive upon request a written explanation of their salary equity adjustment amount. A bargaining unit faculty member's salary equity adjustment review request will be completed in a timely fashion.

In the procedures for a salary equity study, the RFP Process only needs to be completed in Fiscal Years where an RFP contract has expired or a Separation Clause was enacted. For all years covered under contract with a vendor, the RFP process does not need to be completed.

CSN will hold Salary equity studies in odd numbered Fiscal Years beginning with FY25. This time line will be used for odd numbered Fiscal Years (i.e., FY25, FY27, etc.), with exceptions for the RFP process.

Committee formed (2 faculty identified by CSN-NFA + 2 admin faculty) by August 1. The RFP process starts with the Procurement Department immediately after the committee is formed. The RFP process concludes, and a consultant is chosen by December 15.

Consultant starts work January 1. Final & approved results are delivered to Budget Services by May 1.

Funding, if appropriate, & timeline communicated back to the Committee by June 15.

A committee will be identified to coordinate the Salary Equity Study. The committee will consist of two members identified by CSN administration and two CSN bargaining unit members identified by NFA. The committee will establish the criteria to be used for the review of CSN bargaining unit members' salary in comparison of other CSN bargaining unit members' salary including but not limited to years of experience and educational attainment. The committee will recommend to the President of CSN for approval whether the services of an external consultant shall be utilized to support the study. If an external consultant is utilized, the consultant will be selected through a public and competitive RFP process.

As outlined in the chart above, due to the time required to process an RFP, the committee must determine by September 1 whether an external consultant will be utilized. If an external consultant is to be utilized, a

committee must begin that process immediately so the consultant can be selected by December 15. The consultant's services will be expected to commence by no later than January 1 and the consultant must consent to the timeline, which shall be included in the consultant's service agreement. If the internal committee performs the study itself, the committee must commence work by no later than November 1. Whether an external consultant or the internal committee performs the process, the work must be completed by May 1, to enable changes to be incorporated into the following fiscal year's operating budget. Salary equity adjustment recommendations will require approval by the President of CSN; therefore, that approval process will also need to be built into the timeline for completion by June 1.

CSN will identify resources to fund the results of the equity study, which may be phased in incrementally depending on funding resources. This funding and timeline will be communicated back to the committee by June 15.

If the internal committee is formed after August 1, the internal committee can consult with the Procurement Department to determine whether a consultant can be identified through the RFP process by December 15. If that is not feasible, the internal committee will need to direct the study itself (within the mentioned timelines). All approved results must be completed by May 1 of the fiscal year.

Each bargaining unit member will be furnished the results of their salary equity study with the corresponding methodology used to arrive at compensation results by the compensation consultant. A faculty member may appeal a decision of the compression study to the Salary Equity Committee, who will respond within 30 business days. Decisions of the Committee following hearing of an appeal are final.

Section 5. Legislature

CSN and NFA will jointly support and advocate for any final actions approved by the Board of Regents of the Nevada System of Higher Education in the development of legislation to establish a structure for a comprehensive and sustainable faculty compensation system, including regular in-rank salary increases.

Section 6. B+ Contracts

Faculty members who are assigned a B+ Contract shall be compensated 12% with 21 working days above the base salary set for their position effective Fall 2022.

Article 8 - Summer Teaching

Section 1. Assignment

A. A bargaining unit faculty member is eligible to teach any class in summer that they have previously taught. Additionally, they may teach any summer course requested with approval from the Department Chair (in consultation with the Program Director if applicable).

B. Summer assignments will be made by the Department Chair (in consultation with the Program Director if applicable).

C. Any properly eligible bargaining unit faculty member who submits a timely, written request for a summer session teaching assignment, shall be given at least one (1) class assignment, if one is available at sufficient enrollment, before any other bargaining unit faculty member is given a second (2nd) class assignment.

D. Using the same principle, any bargaining unit faculty member who requests two (2) summer class assignments shall be given the second assignment, if a second assignment is available, before any other bargaining unit faculty member is given a third teaching assignment.

E. No faculty member may teach more than nine IUs in the summer unless special permission is granted by the VPAA.

F. For the purposes of this procedure, a “class assignment” is a section with a unique section number.

G. Where choices in assignments are possible, bargaining unit faculty members shall receive first priority consideration for all classes offered.

H. Should two or more bargaining unit faculty members request the same class assignment, preference will be given to the faculty member who developed the course.

I. Should two or more bargaining unit faculty members request the same class assignment, and neither developed the course, preference will be given by seniority.

J. Department chairs will be required to retain documentation of procedure and results of the aforementioned assignments to ensure that the appropriation rotation is achieved in 2c & d.

Section 2. Pay

A. Pro-rata pay shall be calculated as 0.021 times base pay per IU for the summer 23.

B. The summer 24 of the contract, pro-rata pay shall be calculated as 0.02125 times the base pay per IU.

C. Beginning the summer 25 of the contract, pro-rata pay shall be calculated as 0.022 times the base pay per IU.

D. A class size of seventeen (17) or greater will result in pro-rata pay, or \$1,025 per IU, whichever is more.

E. For classes with approved limited class size below seventeen (17), pro-rata pay shall be awarded for enrollment equal to or greater than the approved class size.

F. The minimum class size is fourteen (14) unless on the approved list based on space, equipment, etc.

G. Individualized instruction per student pay may be negotiated by the faculty member. The calculation will be IUs equal 0.75 times the number of credits times the number of students. $IU \times \text{current overload rate} = \text{pay}$. A decision to teach on a per student pay basis (due to low enrollments) must be made between the instructor and the department chair no later than 7 days prior to the first day of class.

H. If a bargaining unit faculty member takes over a class from a part-time instructor, the bargaining unit faculty member will be paid full pay for the class as per this section.

I. Faculty on a year-round "A" contract cannot receive compensation for teaching in the summer. Department Chair compensation is addressed in Article 12.I.3 in this Contract.

J. To fund Section 2 A-C in this section CSN-NFA agrees to reduce travel allotments by 25% each year and increase the IT/Computer Refresh Rotation by 2 years. This provision will not be applicable if it is determined by CSN-Administration that summer school self-supported funding has increased sufficiently to offset the above travel allotment and IT/Computer items.

This article will affect rates beginning in June 2023.

Article 9 - Hiring

Section 1. Position Approval and Recruitment

It is the responsibility of the hiring supervisor to ensure funding availability prior to initiating the online requisition process for approval and posting of the position. All positions must be approved by the respective Vice President in consultation with the Vice President of Finance and Administration (VPFA) or their designees. Replacement positions must be entered into the Workday system as soon as the notification of vacancy occurs and approval to replace is obtained.

The Department Chair initiates the requisition process and identifies the nomination for Screening Committee Chair. Prior to posting, Human Resources personnel including the Affirmative Action Officer will review the requisition for appropriateness of content.

The Department Chair or Director in consultation with the Dean, Associate Vice President or equivalent level manager, and/or Program Director or Lead Faculty and Screening Committee Chair will develop the job announcement prior to routing for approval and posting.

A short, written justification, developed by each Screening Committee member and reviewed by HR, is required. Article 18 - Grievance

Section 1. Definitions

A. Grievant: A grievant shall be a member of the bargaining unit who, at the time of the alleged violation, has rights under a provision(s) of this Contract alleged to have been violated. A grievant shall also mean the CSN-NFA where it has rights under a provision(s) of this Contract alleged to have been violated. Nothing herein shall prevent CSN-NFA from filing a grievance, with the consent of and on behalf of a grievant who is a member of the bargaining unit.

B. Grievance: For purposes of this Agreement, a grievance is a procedure for resolution of disputes exclusively relating to interpretation or application of this collective bargaining agreement. Disputes outside the scope of this grievance process are exclusively subject to any institutional grievance procedures established pursuant to NSHE Code Section 5.7. Should there be disagreement between the grievant and responding party as to whether a grievance falls under the interpretation or application of this collective bargaining agreement, an informal conversation will be held between the CSN-NFA President and Chief Human Resources Officer. If agreement cannot be reached between these two parties as to the proper grievance avenue, the use of an agreed upon outside mediator may be employed. Cost of mediation will be shared equally between CSN-NFA and CSN administration.

C. Days: For purposes of this Grievance Procedure, days shall mean working days (Monday through Friday and non-holidays) within the approved academic calendar. The timeline is not counted while the faculty member is off contract.

Section 2. Time for Filing Grievance

If an individual wishes to file a grievance, the grievance must be filed with the CSN Human Resources Office on forms to be provided by the CSN Human Resources office, or CSN-NFA website. Forms are subject to change only where there is mutual agreement by the CSN-NFA and CSN Human Resources. Forms are to be filed within:

A. Twenty [20] working days following the act or omission giving rise to the grievance; or

B. Twenty [20] working days following the first time the grievant knew or should have known of the act or omission, if that is later. In this case the document must identify when the grievant first learned of the act or omission.

Section 3. Content of Initial Filing

The initial filing shall contain the grievant's:

- Name
- Office address or email address
- Description of the act or omission which gave rise to the grievance including the date of such act or omission, the Code, Bylaws or Contract section allegedly violated, if any
- Remedy sought

Section 4. Grievance Process

Disagreement disputes relating to interpretation or application of this collective bargaining agreement should be resolved in a timely manner and as close to the perceived problem as possible. A faculty member who seeks to grieve any of these issues shall proceed as follows:

The grievant has the opportunity to present one witness in one meeting after the initial informal grievance meeting is held. However, the grievant may present summative witness statements or the decision-maker may grant the request to include witnesses in subsequent meetings.

A. Initial Informal Meeting: The affected administrator (Chair, Dean, Director, vice president or designee), shall offer to meet with the grievant within ten (10) working days of the filing of a grievance. The meeting shall be informal in nature. The grievant shall have the opportunity to explain the circumstances surrounding the grievance and present witnesses, if any. (In the initial meeting, an Administrator higher than Dean or Director may not be needed.) The grievance begins at the lowest level/first level supervisor and moves upward through the supervisory chain should resolution not be reached at the informal meeting.

The Dean, or designee, shall respond with a decision in writing to the grievance in writing within ten (10) working days following the meeting. The Dean, or designee, shall transmit one copy of the decision document to the grievant and one copy to the CSN-NFA. The decision document shall provide reasons for the decision.

B. Appeal to Vice President: If the grievant is not satisfied with the decision arising from the initial meeting, the grievant may appeal that decision to the appropriate Vice President, or designee, by filing an appeal with the CSN Human Resources Office on forms to be provided by the CSN Human Resources Office. The appeal must be filed within ten (10) working days following the issuance of the decision document arising from the initial meeting. The Vice President, or designee, shall offer to meet with the grievant within ten (10) working days following the filing of the appeal, and grievant and the Vice President, or designee, shall have the opportunity to discuss the circumstances surrounding the grievance. The meeting shall be informal in nature. The grievant may present summative witness statements at this meeting, or present a witness as described above in Section 4. The Vice President, or designee, shall issue a written decision to the President within ten (10) working days following the close of the meeting. The Vice President, or designee, shall transmit one copy to the grievant and one copy to the CSN-NFA. The decision document shall provide reasons for the decision.

C. Appeal to President: If the grievant is not satisfied with the decision from the appeal to the

appropriate Vice President or designee, the grievant may appeal that decision to the President by filing an appeal with the Office of the President on forms to be provided by the CSN Human Resources Office within ten (10) working days following the issuance of the decision document from the appeal to a Vice President or designee. The appeal shall indicate whether a meeting with the President is requested. The President, or designee, shall offer to meet with the grievant within twenty (20) working days following the receipt of the appeal. The meeting shall be informal in nature. The grievant and the President shall have the opportunity to discuss the circumstances surrounding the grievance and the appeal. The grievant may present summative witness statements at this meeting, or present a witness as described above in Section 4. If the grievant does not request a meeting, the grievant shall submit a brief statement (10 pages or less) explaining why the decision from the Vice Presidential appeal was in error. The President shall issue a decision in writing within twenty (20) working days following the meeting, if any, or following the filing of the appeal with the President's Office in the event no meeting is held. The President shall transmit one (1) copy to the grievant and one (1) copy to the CSN-NFA. The decision document shall provide reasons for the decision. The decision of the President shall be final and binding on the parties. This decision does not preclude mediation. Failure by the President or their designee (so long as the designee has not heard the grievance at a previous step) to issue a decision document within the time limits specified shall mean that the grievant may deem the grievance to be accepted. The CSN President shall order the remedy sought granted to the grievant.

Section 5. Timeliness; Filing; Issuance of a Decision

A grievance or an appeal shall be considered filed at the time a copy of the grievance or appeal is presented to the appropriate office as specified in this grievance procedure. A decision shall be considered issued at the time it is handed personally to the grievant or mailed return-receipt requested, in an envelope bearing proper postage and an address indicated by the grievant on the initial grievance or at such other address subsequently indicated by the grievant in writing to the office issuing the response. If mailed, the date of issuance shall be five (5) working days following the U.S. postal service postmark.

Section 6. Failure to Respond

Failure at any step of this procedure by the responding party to issue a decision document within the time limits specified shall mean that the grievant may inform the Office of Human Resources of the failure to respond. Human Resources is responsible for automatically advancing the grievance to the next step upon the request of the grievant.

When a decision is issued, the failure at any step to appeal a denial within the time limits shall be deemed acceptance of the denial.

If there is a failure to issue a decision after a meeting or appeal, the meeting does not count as one of the two meetings of which a grievant is allowed to present witnesses, as described in Section 4 above.

Section 7. Representation

Faculty members have the right to present to CSN a grievance that is outside the scope of interpreting

and applying this CBA established pursuant to NSHE Code Section 5.7 and to have such a grievance adjusted without intervention of the CSN-NFA. All documents used by the grievant in presenting the grievance shall be made available to CSN in a timely and expeditious manner. All documents relevant to the process of the grievance requested by the grievant shall be made available to the grievant in a timely and expeditious manner. Any dispute over confidentiality of documents will be resolved by CSN general counsel in collaboration with the CSN-NFA President.

Grievances brought under the CBA will be housed in the personnel file of the grievant as described in *NSHE Procedures & Guidelines Chapter 16: Records Retention & Disposition Schedule*.

Section 8. Consolidation of Grievances

Two or more grievances involving the same act, omission, or alleged violation of contract may be consolidated. CSN-NFA shall have the right to file a grievance on behalf of members of the bargaining unit where it deems a provision of the contract has been violated.

Section 9. Meetings

Meetings, for the purpose of discussing a grievance, shall be held at mutually agreeable places and times during working hours, unless agreed to in advance by all involved.

Section 10. Retaliation

No retaliation shall be taken against any employee by reason of having filed a grievance or participated in a grievance meeting.

Section 11. Expenses

Each party to a grievance shall bear the expense of presenting its case.

Section 12. Other Grievance Procedures

This procedure is the exclusive grievance procedure available to members of the bargaining unit for resolution of disputes relating to interpretation or application of this collective bargaining agreement.

Article 19 Alternative Dispute Resolution

If a grievant is not satisfied with the President's decision, the CSN-NFA may request the matter proceed to mediation by filing a Mediation Request with the Office of Human Resources on forms to be provided by the CSN Human Resources Office within twenty (20) working days following issuance of the decision document from the President or designee.

The parties agree that mediation of any and all disputes, claims or controversies arising out of or relating to this Agreement shall be submitted to Federal Mediation and Conciliation Service (FMCS), or its successor, for mediation.

Either party may commence mediation by providing to FMCS and the other party a written request for mediation, setting forth the subject of the dispute and the relief requested.

The parties will cooperate with FMCS and with one another in selecting a mediator from the FMCS panel of neutrals and in scheduling the mediation proceedings. The parties agree that they will participate in the mediation in good faith and that they will share equally in its costs.
